

Questionnaire Questions

1. Understanding the Interface

Did you clearly understand how to start exploring the ecosystem from the home page?

2. Navigation Clarity

Was it easy to navigate from the home screen to the ecosystem exploration page?

3. Interaction Flow

Was the process of clicking an animal and discovering information about it clear and intuitive?

4. Sticker Book Interaction

Did the sticker book reward system make sense as a way to track discovered animals?

5. Educational Value

Do you think the ecosystem exploration concept helps students learn about animals and habitats?

6. Visual Design

How clear and engaging did you find the visual design of the ecosystem environment?

7. Ease of Use

Did you find the overall interaction simple and easy to understand?

8. Suggestions for Improvement

What improvements would you suggest for the ecosystem exploration experience?

9. Additional Features

Are there any additional features or interactions that you think would improve this application?
